Complaint Title :	Crack observed on component		L	
Manufacturing Plant :	SLR Metaliks Limited			
Customer :	M/s SSB Engineers, Alwar			
D1. Problem solving team:				
Team leader :	C M Walvekar, AGM- Quality Assurance.			
Team members :	Harikant Tiwari, Vikram, Neeraj			
D2. Material / Problem Description:	•			
Heat No.:	53926, 54217, 54218			
Grade:	16MnCr5, 20MnCr5			
Size:	60mm, 70mm dia			
Supply Condition :	As rolled			
Quantity Supplied :	-			
Complaint Location :	Alwar			
Customer Complaint :	Crack observed on component			
Analysis results:				
and Size: 60mm, 70mm dia.	s SSB Engineers (Alwar), pertaining to the He			InCr5, 20MnCr5,
SLRM representative attended the above	by the customer, cracks were observed in co ve quality issue at the customer end and with			ples for
investigation.	and considerate
